

Kukucsáló 2.

1. Figyeld meg a rajzot, dolgozz az utasításnak megfelelően! A bal oldali oszlopban piros színt használj, a jobb oldali oszlopban kéket!

Manipulatív számolás

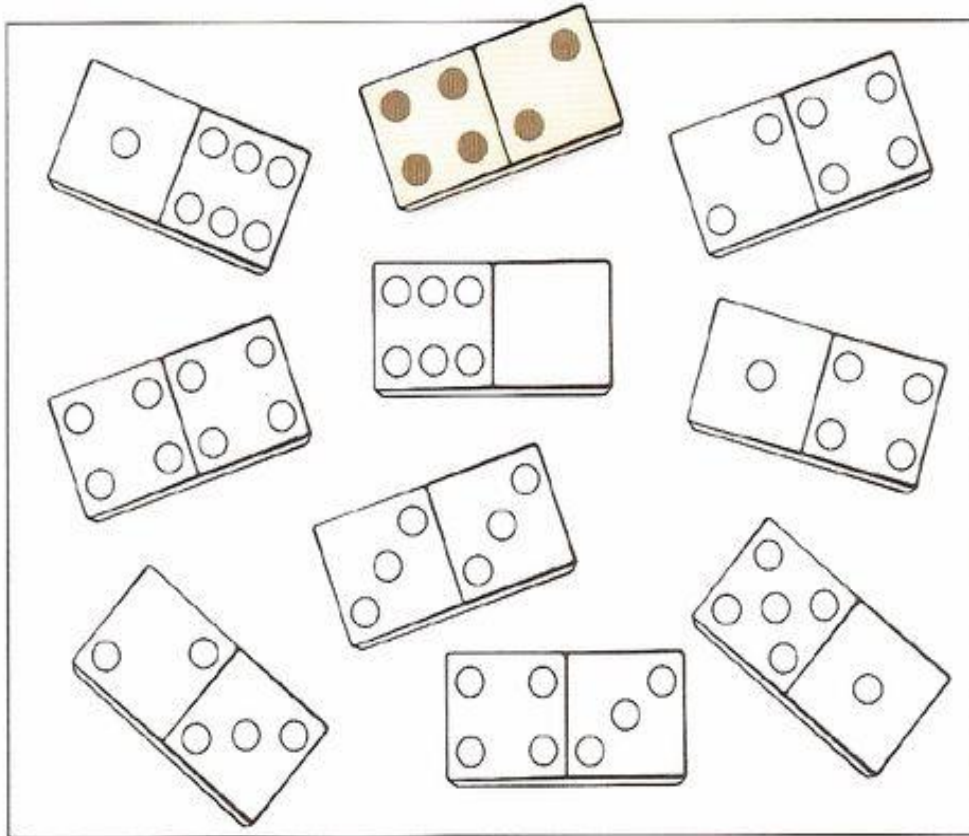

Miből van kevesebb? Színezd ki!

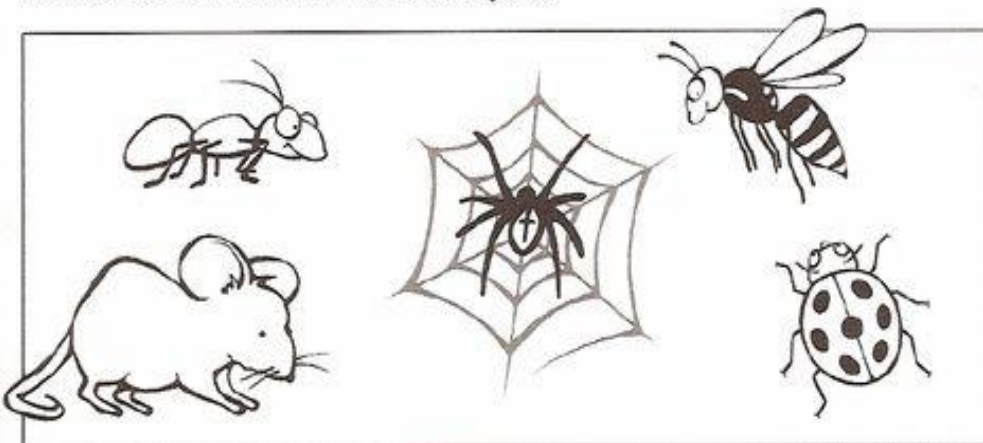

2.

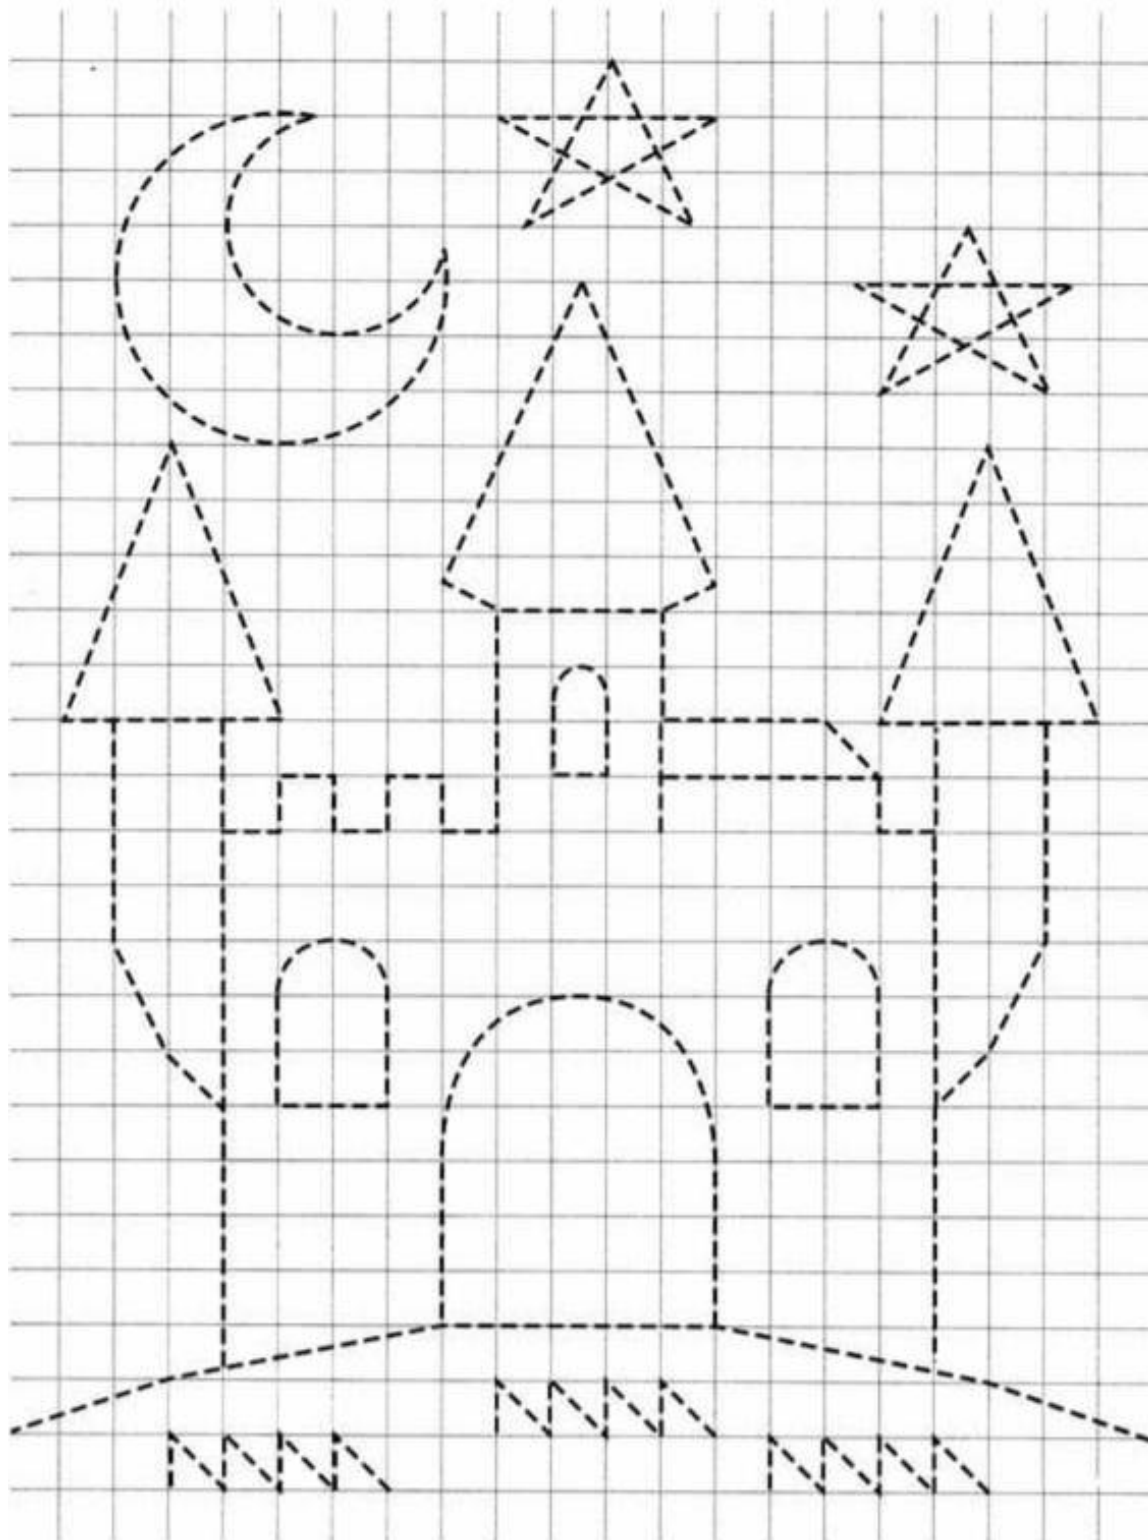

Színezd ki azokat a dominókat, amelyeken összesen **6** pötty van!

Karikázd be a hatlábú állatok rajzát!

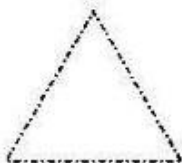

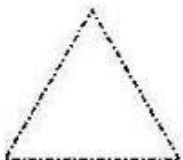

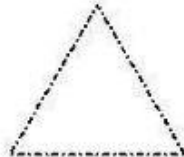

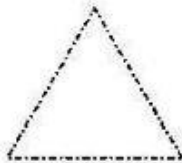

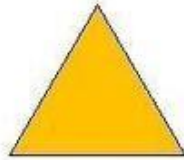

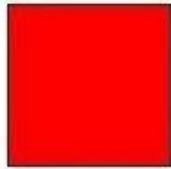

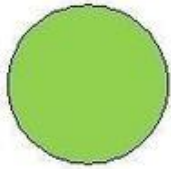

3. Rajzold át a szaggatott vonalakat! A holdat és a csillagokat citromsárgával, a várat feketével, a dombot barnával és a fűvet zölddel!

4. Figyeld meg a formák színeit, ennek megfelelően színezz te is!
